### III. FAIR HOUSING MARKETING PLAN

This Fair Housing Marketing Plan ("FHMP") is adopted in accordance with the federal and state laws listed above, as well as state-aided public housing regulations at [760 CMR 4.07](#). Pursuant to 760 CMR 4.07, the LHA shall biennially determine whether the percentage for each minority group in the LHA's housing by program (i.e., elderly/handicapped program and family program) is significantly below the percentage for the minority<sup>4</sup> group in the city or town or in the general population of the applicable metropolitan statistical area ("MSA"), whichever is greater, and, if so, shall update and implement this FHMP to ensure affirmative outreach to the minority group.

The LHA has an ongoing responsibility to ensure that people in the local city or town, the primary MSA, and the communities from which applicants have historically applied for housing are aware of the availability of units and given an opportunity to apply. The LHA shall initiate a marketing effort whenever any of the following situations occur:

- a. the LHA has any minority group among its tenant population that is significantly below the percentage for the minority group in the Town of Quincy or in the general population of the Boston-Cambridge-Newton, MA-NH MSA, whichever is greater;
- b. the waiting list, including available MRVP vouchers, is less than the number of applicants anticipated to be placed in the next 12 months;<sup>5</sup>
- c. applications for new programs or units will be accepted; or
- d. the overall minority household population (where at least one household member is a minority) is less than the LHA's Affirmative Action Goal adopted pursuant to 760 CMR 5.10(3).

---

<sup>3</sup> For this purpose, "significantly below" means that the percentage for each minority group in the LHA's housing for a given program is at least one percentage point below the percentage for the minority group in the city or town or in the general population of the applicable MSA, whichever is greater. For example, Asian households comprise 5% of residents in the LHA's Chapter 667 housing, but 6% or more of the population in the city or town or the applicable MSA, whichever is greater, the percentage in the LHA's housing would be deemed "significantly below".

<sup>4</sup> "Minority" has the meaning assigned to it in 760 CMR 5.03: *Definitions*.

<sup>5</sup> Marketing of MRVP PBV waiting lists administered by LHAs will include postings with Housing Navigator at <https://www.housingnavigatorma.org/>.
